

# Janet Jackson, Funky Big Band

People gather 'round  
At the Lennox Lounge  
To hear the funky sounds  
The beat hits so hard  
There's no cover charge  
You have to feel the groove

[CHORUS:]

One thing is you've got to be real  
If you want to hear the  
Funky big band  
He who knows it feels it  
Got to be real  
If you want to hear the  
Funky big band  
We who knows it feel it

Harlem is the place  
Where you'll find the face  
Of those who feel the groove  
It's not taught to thee  
But it's born to we  
Aw and I feel the groove

[CHORUS]

And the band plays  
From the big band  
And the band plays  
From the big band

It's funky  
You feel it  
It's funky  
To be real  
It's funky  
You feel it  
Oh it's funky  
To be real

[CHORUS]

We who know it feel it [4x]
