

# Janet Jackson, If It Takes All Night

I've got my eyes on you  
You're playin with peek-a-boo  
And it's so exciting  
There's such a chemistry between you and me  
So there's no use fighting  
Don't say, "It's so good J";  
Just give your heart away  
'Cause I'll find the words to say...

Chorus:  
If it takes all night  
If it takes all night, honey  
Gonna make you mine  
If it takes all night  
Gotta find a way  
To get inside your heart tonight  
I'll make the lovin' right  
If it takes all night

I hear what people say  
Love's just a game you play  
For the competition  
Even some friends of mine  
Say that I'm wastin' time  
But my heart won't listen  
I know they want you too  
They say I won't get through  
But it will be me and you

Repeat Chorus

I know my lover when I see him in disguise  
And I won't give up 'til I see that fire in your eyes

Repeat Chorus
