Janet Jackson, Never let you go

i found a thing bout loveing with you
get it perfect it what
do we do the best we can
do you understand
i love you more then words can say
is to know and letting you stay
with you through the complications
whether what i'm saying?
i don't wanna give up on my fate
and think that it's too late
so if something broke
let me go and fix it
and if something is lost let me go and get it
cause i don't wanna stand with all this time
and i'll be next to you cause your the one
i said it twice
and i'mma say it once more
you're are the one
i'm never gonna let you go
every time
i don't get around to say what i feel like saying
now everytime
when it gets so hard feels like i can't take it
you make me want you
find you
love you and
despise you
{chorus}
still and it feels like i got nothing left
i remind myself that
i don't wanna give up on my fate
and i don't wanna think that it's too late
so if something broke
let me go and fix it
and if something is lost let me go and get it
cause i don't wanna stand with all this time
and i'll be next to you cause your the one
i said it twice
and i'mma say it once more
you're are the one
i'm never gonna let you go
whoa whoa whoa whoa whoa
whoa whoa whoa whoa whoa whoaa..
i'm never gonna let you go
{chorus}
still and i feel like i got nothing left
i remind myself that
i don't wanna give up on my fate
and i don't wanna think that it's too late
and so if something is broke
let me go and fix it
and if something is lost let me go and get it
cause i don't wanna stand with all this time
and i'll be next to you cause your the one
i said it twice
and i'mma say it once more
