

# Janet Jackson, Start Anew

I've been so alone  
Ain't no fun since you've been gone cryin' on the phone  
You're the one  
I got to fly to you  
I got to get to you somehow  
Our love is tried and true  
I'm a believer now  
I'm still high on you  
Now we're through the hardest part  
Open your heart, and let's start anew  
Let your angel baby bring you a dream  
I can't wait now, baby, to spread these wings  
(it's only you that can)  
Make my grey skies electric blue  
Kiss these bad times goodbye and let's start anew  
Why'd I let you go say &quot;so long&quot;?  
Thought I was strong (yes I thought I was strong, baby)  
Baby now I know, I was wrong. I want to fly to you  
Make it up to you somehow  
Reach for the sky with you  
And never come back down  
I'm still high on you  
Now we're through the hardest part  
Open your heart, and let's start anew
