

# Janet, My Need

"Chorus:"

My love, my need  
Tonight, I feel so tight  
My love, my need  
Tonight, just how I like

"Verse 1:"

I know, you know  
What exactly's on my mind  
I can't help myself  
Part of how I feel tonight  
Won't make excuses  
I just want you inside baby  
We don't need to  
Talk about no promises

"Chorus:"

My love, my need  
Tonight, I feel so tight  
My love, my need  
Tonight, just how I like

"Verse 2:"

Let's just pretend  
That we have no more tomorrow  
Can't we make love  
Like it's our last time baby  
Let's not get too  
Soft and gentle with it 'cause I  
Am not feelin'  
In no mood to play about

"Chorus:"

My love, my need  
Tonight, I feel so tight  
My love, my need  
Tonight, just how I like

"Bridge:"

I need you like the flowers need the rain  
I need you like the blues needs the pain  
I need you like the stars need the night  
I need you like the waves need the sea

"Chorus:"

My love, my need  
Tonight, I feel so tight  
My love, my need  
Tonight, just how I like

"Bridge:"

I need you like the flowers need the rain  
I need you like the blues needs the pain  
I need you like the stars need the night  
I need you like the waves need the sea  
Tonight, tonight, tonight, tonight

"Bridge:"

I need you like the flowers need the rain  
I need you like the blues needs the pain  
I need you like the stars need the night  
I need you like the waves need the sea
