

# Janet, Rhythm Nation

With music by our side  
To break the color lines  
Let's work together  
To improve our way of life  
Join voices in protest  
To social injustice  
A generation full of courage  
Come forth with me

Chorus:  
People of the world today  
Are we looking for a better way of life  
We are a part of the rhythm nation  
People of the world unite  
Strength in numbers we can get it right  
One time  
We are a part of the rhythm nation

This is the test  
No struggle no progress  
Lend a hand to help  
Your brother do his best  
Things are getting worse  
We have to make them better  
It's time to give a damn  
Let's work together come on

Repeat Chorus
