

# Janet, Runaway

I've seen the world  
Been to many places  
Made lots of friends  
Many different races

I've had such fun  
Around the world it's true  
African skies with Nairobi mood  
I fell asleep in Tuscany and dreamed  
The one thing missing was you

Chorus:  
Runaway with me my love  
Yeah yeah yeah yeah  
The one thing missing was you  
Runaway with me my love  
Yeah yeah yeah yeah

I woke up with an Australian breeze  
And danced the dance with Aborigines  
Oh under the moon glow  
Down in Mexico  
I dreamed  
One thing was missing that's you

Repeat Chorus

We'll sail the water of many colours  
Won't need no compass  
Love will guide our way  
Don't need nobody  
Long as we got each other  
No need to hurry  
We've got everyday  
I want to share  
The world with you you see  
Springtime in Paris  
Was so good to me  
Oh this is for me and  
Reality so please  
Make all my wishes come true

Runaway with me my love  
Yeah yeah yeah yeah  
The one thing missing was you  
And I just want to have a good time  
Yeah  
Ooh-ooh-ooh-ooh  
And I just know we'll have a good time  
Yeah

Oh please come with me  
And I just know we'll have a good time  
It'll be fun walking in the rain in Spain  
Haha  
And I just know we'll have a good time  
Oh didn't quite hit the note  
That wasn't such a good time

And I just know we'll have a good time  
Yeah  
Don't you think so  
Yeah  
I do

And I just know we'll have a good time  
Yeah
