

Janet, Thinkin' Bout My Ex

THINKIN' BOUT MY EX

When I first met you

I swear that I was straight with you

I wasn't lookin' for nobody new

I just needed someone to talk to

(To talk to)

You said you were cool and understood

But now you caught feelings like I knew you would

And you sittin' there with a broken heart

Cause I gave you my body and not my heart

When I'm holding you late at night

I'm thinkin' bout my ex

When I'm kissing you and look at you

I'm thinkin' bout my ex

And I'm sorry, I didn't mean to hurt you

And I know sorry doesn't mend your broken heart

Baby I have to be

Unselfish and true to me

Cause I'm not where I really wanna be

And It's nothing with you

It's all me

(It's all me)

I toss and turn all night when I sleep

Wantin' and reachin' for someone who used to be

Said it must be some kinda karma thing

Cause I can't seem to let go (let go)

And love again

When I lay with you I close my eyes

I'm thinkin' bout my ex

When I'm touchin' you gently

I'm thinkin' bout my ex

And I'm sorry (sorry)

I didn't mean to hurt you

And I know sorry doesn't mend your broken heart

When I'm listenin' to music

I'm thinking' bout my ex

In a bubble bath with the candles lit

I'm thinking bout my ex

And I'm sorry (sorry)

I didn't mean to hurt you

And I know sorry doesn't mend your broken heart

You're beautiful

I don't wanna take the space from someone else

So let me go

And do a little soul searchin' for myself

I'm sorry that

I pulled you in and let it get this far

You know I never meant to break your heart

At the shopping mall or movies

I'm thinkin' bout my ex

At the restaurant (restaurant) while I'm eating (eating)

I'm thinkin' bout my ex

And I'm sorry (sorry)

I didn't mean to hurt you

And I know sorry doesn't mend your broken heart

(Know that sorry doesn't mean...I'm sorry I'm sorry I'm sorry I'm sorry, I'm)

While you talk to me

(Talk to me)

I drift away

(I drift away)

I'm thinkin' bout my ex

When you ask me

(Ask me)

What I'm thinkin'

(Thinkin')
I'm thinkin' bout my ex
And I'm sorry (sorry)
I didn't mean (didn't mean)
To hurt you
And I know sorry doesn't mend your broken heart
(Know that sorry doesn't mean...I'm sorry I'm sorry I'm sorry I'm sorry, I'm)
Repeat 'til fade
