

# Janet, Together Again

There are times when I look above and beyond  
There are times when I feel your love around me baby  
I'll never forget my baby  
I'll never forget you

There are times when I look above and beyond  
There are times when I feel your love around me baby  
I'll never forget my baby

When I feel that I don't belong

Draw my strength

From the words when you said

Hey it's about you baby

Look deeper inside you baby

(Bridge)

I dream about us together again

When I want us together again baby

I know we'll be together again 'cause

(Chorus)

Everywhere I go

Every smile I see

I know you are there

Smilin' back at me

Dancin' in moonlight

I know you are free

I can see your star

Shinin' down on me

(Together again ooh )

Good times we'll share again

(Together again ooh )

Makes me wanna dance

(Together again ooh)

Say it loud and proud

(Together again ohh)

All my loves for you

Always been a true angel to me

Now above

I can't wait for you to wrap your wings around me baby

Wrap them around me baby

Sometimes hear you whisperin'

No more pain

No worries will you ever see now baby

I'm so happy for my baby

(Bridge)

I dream about us together again

When I want us together again baby

I know we'll be together again 'cause

(Chorus)

Everywhere I go

Every smile I see

I know you are there

Smilin' back at me

Dancin' in moonlight

I know you are free

I can see your star

Shinin' down on me

(Together again ooh )

Good times we'll share again

(Together again ooh )

Makes me wanna dance

(Together again ooh)

Say it loud and proud

(Together again ohh)

All my loves for you

There are times when I look above and beyond

There are times when I feel you smile upon me baby

I'll never forget my baby  
What'll I give just to hold you close  
As on earth  
In heaven we will be together baby  
Together again my baby  
(Chorus)

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
I can see your star  
Shinin' down on me  
(Chorus)

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
I can see your star  
Shinin' down on me
