

Janet, Velvet Rope

(feat. Vanessa Mae)

Chorus:

We have a special need

To feel that we belong

Come with me inside

Inside my velvet rope

Repeat Chorus

This special need

That's within us

Brings out the best

Yet worst in us

Follow the passion

That's within you

Living the truth

Will set you free

Repeat Chorus

Put others down

To feel us up

Oppressing me

Will oppress you

Outside leave judgement

Outside leave hate

One love's the answer

You'll find in you

Repeat Chorus
