

Janet, Weekend

Jumping music, slick deejays, fog machines and laser rays

Chorus:

Lookout weekend 'cause, here I come
Because weekends were, made for fun

Jumping music, slick deejays, fog machines and laser rays

Chorus

I work hard, everyday, its all work and no play
With the boss on my back, he don't give me any slack
I sit down, I daydream of how my weekends gonna be

Chorus (2x)

By the time wednesday comes, I feel the beat and I wanna have fun

Chorus

All you ladies, clap your hands, stomp your feet and grab your man

Okay men, its your time, show the ladies whats on your minds

Chorus

Jumping music, slick deejays, fog machines and laser rays

Lookout weekend 'cause...

I work hard everyday, it's all work and no play

With the boss on my back, he don't give me any slack

I sit down I day dream of how my weekends gonna be

Chorus (2x)
