

Janis Joplin, Oh, Sweet Mary

Yeah!

Oh, sweet Mary, child of confusion, she runs the hills to cry
Past the willows or an illusion, Lord, tell me the reason why.
Tell me why, why is it all so hard ?
Breathing in the air Breathe in the air
Anyone to care.
Oh!

(Alright, yeah!)

Oh, sweet Mary, in our story, have we nothing left to give ?
But dont we all know, babe, if were pressed to, that thats the way we live.
Tell me why, why is it all so hard ?
Breathing in the air Breathing in the air
Anyone to care, oh, yeah!

Hop now, hop now, hop now, hop now, hop now, hop now,
Hop now, hop now, hop now, hop now, hop now, hop now, whoa, yeah!
