

Jann, arachnophobia

Jann prezentuje piosenkę "arachnophobia" (premiera 6 września 2024 r.).

There's money in my bank account
And I don't even wanna waste it
There's honey in my buttercup
And no one ever comes to taste it

There's a spider living in the corner of my kitchen
When I try to say hi I get paralyzed
Et I've got
Arachnophobia

She's the reason I'm living
Break us through my fear and my pain
In the night put my neck on back
Inside I will fall, don't break us

Break us through my fear and my pain
Inside I will fall, don't break us
Inside I will fall, don't break us

You inside, I won't fall, I won't break
'Cause my feet and my pain in your leg
Put my neck, I won't let you inside
You don't fall, I won't break

It's a storm, I feel the pain in your neck
My neck, I won't let you inside
You don't fall, I won't break
'Cause my feet and my pain in your leg

Put my neck, I won't let you inside
You don't fall, I won't break
It's a storm, I feel the pain in your leg
You broke my neck, I won't let you inside

I won't fall, I won't break
Stole my fear and my pain
You broke my neck, I won't let you inside
I won't fall, I won't break

Stole my fear and my pain
You broke my neck, I won't let you inside
Oh, oh, oh, oh, oh, oh, oh
