drinking whiskey from an open toed shoe  
farm hand and an evening glove  
puttin' on a kiss that will last until dawn

do my face in the loft of the barn  
i touch myself on the old chaise lounge  
i going to town with my best dress on  
yeah, yeah, yeah, i so pretty  
gonna ask myself to the prom  
yeah, yeah, yeah, i all sexy  
going to town with my best dress on

double clutching in my high heel shoes  
check the mirror and i blow myself a kiss  
turn up the radio ause theye playing my favorite song  
i going to town with my best dress on
