

Jann Arden, Independent Love Song

You could say this was an independent love song
It's nothing like to us what love meant to them
But, that's not to say the love we have isn't big or that strong
I'm doing it a different way
I'm doing it a different way

You might say this is another boring love song
To be together and forever be true
And so today it's much the same as it was then
I'm doing it a different way
I'm doing it a different way

I'll show you how to take me
Go down, go down
I'll show you how to turn me
Right on, right on
And I'll show you how to touch me
Right on right on right on
Right on right on right on

Now it's fine that many men will look my way
And I'll let them take me home and let them show me the way
And sure I'll like a few but I'll leave the rest to play
I'm doing it a different way
I'm doing it a different way

I'm gonna show you how to take me
Go down go down
I'll show you how to turn me
Right on right on
And I'll show you how to touch me
Right on, right on, right on
Right on, right on, right on

In a different way, in a different way
In a different way, in a different way
In a different way, in a different way
In a different way

I'll show you how to take me
Go down, go down
And I'll show you how to turn me
Right on, right on
And I'll show you how to touch me
Right on, right on, right on
Right on, right on, right on

You could say this was an independent love song
It's nothing like to us what love meant to them
But that's not to say the love we have isn't good or that strong
I'm doing it a different way
I'm doing it a different way
