

Jann Arden, Love Is A Battlefield

We are young, heartache to heartache we stand
No promises, no demands
Love is a battlefield
We are strong, no one can tell us were wrong
Searchin our hearts for so long, both of us knowing
Love is a battlefield

Youre beggin me to go, youre makin me stay
Why do you hurt me so bad?
It would help me to know
Do I stand in your way, or am I the best thing youve had?
Believe me, believe me, I cant tell you why
But Im trapped by your love, and Im chained to your side

We are young, heartache to heartache we stand
No promises, no demands
Love is a battlefield

We are strong, no one can tell us were wrong
Searchin our hearts for so long, both of us knowing
Love is a battlefield

Were losing control
Will you turn me away or touch me deep inside?
And before this gets old, will it still feel the same?
Theres no way this will die
But if we get much closer, I could lose control
And if your heart surrenders, youll need me to hold

We are young, heartache to heartache we stand
No promises, no demands
Love is a battlefield

We are strong, no one can tell us were wrong
Searchin our hearts for so long, both of us knowing
Love is a battlefield

We are young, heartache to heartache we stand
No promises, no demands
Love is a battlefield

We are strong, no one can tell us were wrong
Searchin our hearts for so long, both of us knowing
Love is a battlefield
