

Jann Arden, Make It Christmas Day

Many years ago on Christmas Day
People came from all around to bow their heads and pray
For on that lonely night a babe was born
God gave us his only son that He may save the world

And He taught us of compassion
He taught us how to love
He taught us to believe in God above

Let know that you are still alive
Raise your hands up to the sky
Get down on your knees and pray
If only for one day
Make it Christmas Day

Jing-a-ling-a-long
Ding Dong Jing-a-long
Jing-a-ling-a-long
Ding Dang Dong
Jing Jing-a-ling
Sing along Jing along
Jing-a-ling-a-long
Ding Dong
Ding Dang Dong

Now we all await the coming eve
I wonder if there is a single a soul who still believes
It's not the flashing glamour of the lights
But only the remembrance of a distant holy night

For He taught us of compassion
And He taught us how to love
He taught us to believe in God above

Let know that you are still alive
Raise your hands up to the sky
Get down on your knees and pray

Let Him know you're still alive
Raise your hands up to the sky
Get down on your knees and pray
If only for one day,
Make it Christmas Day

Jing-a-ling-a-long
Ding Dong Jing-a-long
Jing-a-ling-a-long
Ding Dang Dong
Jing Jing-a-ling
Sing along Jing along
Jing-a-ling-a-long
Ding Dang Dong

Jing Jing-a-ling
Sing along Jing along
Jing-a-ling-a-long
Ding Dang Dong

Jing Jing-a-ling
Sing along Jing along
Jing-a-ling-a-long
Ding Dang Dong

Jing Jing-a-ling

Sing along Jing along
Jing-a-ling-a-long
Ding Dong
