

# Jann Arden, You Don't Know Me

You give your hand to me  
And then you say hello  
And i can hardly speak ,my heart is beating so  
And anyone can tell, you think you know me well  
But you don't know me  
mmmmm  
No you don't know the one  
Who dreams of you at night  
Who longs to kiss your lips, longs to hold you tight  
Oh i am just a friend, that's all i've ever been  
Cause you don't know me  
I never knew the art of makin' love  
Though my heart aches with love for you  
Afraid and shy, i let my chance go by,  
chance that you might love me too  
You give your hand to me and then you say goodbye  
I watch you walk away beside the lucky guy.  
Oh you will never know, the one who loves you so, cause you don't know me  
You give your hand to me, and then you say goodbye  
I watch you walk away. Was I the lucky guy?  
Oh you will never know, the one who loves you so, cause you don't know me  
ohhhhh, no you don't know me  
You don't know me.
