

# Janna Long, More

More than a shelter  
If I was stranded in a storm  
More than a fire  
In the cold to keep me warm  
More than the waves have a need to reach the shore  
That&#039;s how much I need You

## CHORUS:

I need more, more  
Of You in my life  
If I didn&#039;t have Your love  
How could I survive  
I need more, more  
I can&#039;t get enough  
I need more, more of Your love

More than a dreamer  
Has gotta have faith  
More than the lonely  
Needs a loving embrace  
More than freedom  
To a prisoner of war  
That&#039;s how much I need You

## CHORUS

Living life without You in it  
I can&#039;t comprehend  
That&#039;s a place I know my heart will never find  
I could never live without You  
And I don&#039;t want to even try  
&#039;Cause Your love will always be the reason why...

## CHORUS
