

# Janna Long, Nothing Is Impossible

I saw a friend the other day  
She said she was feeling down  
I said come on we need to pray  
And it will turn your life around  
Impossible situations  
God will turn your trail into a celebration

## CHORUS:

When the storms come  
And the winds blow  
With God, nothing is impossible  
He will help you  
His love will guide you  
With God nothing is impossible

Now if you feel there's no way out  
And your back's against the wall  
You need to know without a doubt  
He will answer when you call  
Impossible situations  
God will turn your trails into a celebration

## CHORUS

Just know that with God you can do anything  
So just open up your heart and faith will give you wings

If you're feeling there's no way out  
And you need to know without a doubt  
Nothing is impossible
