

Janove Ottesen, Forget About Me

She said
Please, won't you get off my back?
Can't you see that I'm in pain? You know,
I will never let you pull me back in again
A lot of things have changed lately.
It's not up to you to save me
And there's no turning back, this is it.
I'm on a one-way track
Not looking back
So, won't you please forget about me
And let me be. Don't try to save me
But, it would only be a lie,
if I told you I do not miss her
Here eyes, and her smile,
and the words she used to whisper
But, the lord only,
knows how much I have prayed
And the lord only knows about my lonely days
And you could've been mine, and I could have
been yours
But it would be a lie
if I told you I do not miss her
