

# Janove Ottesen, Wonderful Show

You look after my home and  
You take care of my boy, when  
I'm not there to take care of you both  
I call you up every single day, there's  
Always something I need to say and  
Lately, most frequently are the words  
I miss you  
I think it's a wonderful show you put on  
And that's why I've been standing on my toes  
Just to see you better than everyone else  
I see you better than everyone else  
You always watch me when I pack, you  
Always know just where I'm at, but  
I know it doesn't change the fact  
That I'm gone  
But some day, all of this will be over  
No crying on the phone,  
you can cry on my shoulder  
And we'll both be a little bit older  
And so will our daughter
