

Japan, I Second That Emotion

Maybe you want to give me kisses sweet
But only for one night with no repeat
Maybe you'll go away and never call
And a taste of honey is worse than none at all
Oh little girl

In that case I don't want no part
I do believe that would only break my heart
So if you feel like loving me
If you've got that notion
I second that emotion
So if you feel like giving me
A life-time of devotion
I second that emotion

Maybe you think that love will tie you down
And you don't seem to like to hang around
Or maybe you think that love was made for fools
So it makes you wise to break the rules

I second that emotion
I second that emotion
I second that emotion
(Oh little girl)
