

# Japan, Methods Of Dance

It's a new design  
The cut and style you know so well  
Spins across the floor  
It's the same routine  
Just one last word before you go  
Why should I ask for more?

Then out of the blue  
you're here by me

Moving  
Taking my chance  
Learning  
Methods of dance

It's such as price to pay  
You sense the doubt inside my mind  
But never ask me why  
No second chances now  
I could be sure if I were to live at your speed of life

Then out of the blue  
you're here by me

Moving  
Taking my chance  
Learning  
Methods of dance  
Oh, oh, oh  
Methods of dance
