

# Jars Of Clay, Headstrong

Controlled, moderate, plastic  
Aware and openly perfect,  
To know everything  
And not see anything

Ingest completely impressive,  
You wear the law as a jacket  
It keeps you warm,  
It keeps you warm

Chorus:  
And I don't know what you've been told but it's wrong  
And I can't hold you when you fall so headstrong  
Headstrong, Headstrong

Good enough, how sure a foundation  
Trip on, your graceful emotion  
You remember it all,  
Then cover it all

Chorus 2x
