

Jars Of Clay, Take Me Higher

It took a lot to turn away,
Blood and water from one side.
It took your eyes to stare me down,
It took the truth to set me free, to set me free.

Lookin for a place to hide, waitin' for the wind to rise,
My soul is waiting,
Lookin for a place to hide, I need a little peace tonight.

Take me higher than the sun, yeah you are the only one
Take me higher than the sun, yeah, yeah.

Around the ceiling of the heart,
Is where we find the things that send us away,
to where the blind can see the stars.
So do you see the stars, do you see the stars?

Looking for a place to hide,
Need a little peace tonight.

Take me higher than the sun, yeah you are the only one.
Take me higher than the sun yeah, yeah.
Take me higher than the sun yeah you are the only one.
Take me higher than the sun, yeah yeah.

Take me higher than the sun, you are the only one
you are the only one, you are the only one higher than the sun.
