Jars Of Clay, Trouble Is

Trouble Is

My wings don't sail me to the sky On my own these wings won't fly Jesus told me so Still I'm not so sure that I know

Can't find no rest for my soul Can't find no rest on my own Jesus told me so Still I'm not so sure that I know

Chorus:

Man, the trouble is We don't know who we are instead Man, the trouble is We don't know who we are instead

I'll keep runnin' the other way My heart ain't built to stay My heart ain't built to stay And the world just ain't that way

[Chorus]

We don't know who we are instead We don't know who we are instead

My heart ain't built to stay My heart ain't built to stay Jesus told me so
