

# Jars Of Clay, Worlds Apart

I am the only one to blame for this  
Somehow it all ends up the same  
Soaring on the wings of selfish pride  
I float too high  
And like Icarus, I collide  
With a world I try so hard to leave behind  
To rid myself of all but love  
To give and die

To turn away and not become  
Another nail to pierce the skin of one who loves  
More deeply than the oceans  
More abundant than the tears  
Of a world embracing every heartache

Can I be the one to sacrifice  
Or grip the spear and watch the blood and water flow

(To love you) Take my world apart  
(To need you) I am on my knees  
(To love you) Take my world apart  
(To need you) Broken on my knees

Said and done, I stand alone  
Amongst remains of a life I should not own  
It takes all I am to believe  
In the mercy that covers me

Did you really have to die for me  
All I am for all you are  
Because what I need and what I believe, are worlds apart

I look beyond the empty cross  
Forgetting what my life has cost  
And wipe away the crimson stains  
And dull the nails that still remain  
More and more I need you now  
I owe you more each passing hour  
Battles between grace and pride  
I gave up not so long ago  
So steal my heart and take the pain  
And wash the feet and cleanse my pride  
Take the selfish, take the weak  
And all the things I cannot hide  
Take the beauty, take my tears  
My sin-soaked heart, make it yours  
Take my world all apart  
Take it now, take it now  
And serve the ones that I despise  
Speak the words I can't deny  
Watch the world I used to love  
Fall to dust and blow away  
I look beyond the empty cross  
Forgetting what my life has cost  
Wipe away the crimson stains  
And dull the nails that still remain  
Take my beauty, take my tears  
My sin-soaked heart, make it yours  
And all the things I cannot hide  
Take the beauty, take my tears  
Take my world apart, take my world apart  
I pray, I pray, I pray  
Take my world apart

Halleluia [repeated]
