

Jasmine Guy, A Night Out With You

a night out with you
there was so much in comment with the too of us
we were out together every night
now all we do now days is act like we've
known each other for such a long time
a night out with you
isn't such a big moment for me
i can be out with so many other people
you wouldn't understand

a night out with you
with you is like one of my last dreams
i've had before ooo
a night out with you
yeao hey
a night out with you
