

Jasmine Guy, All I Need Is You

all i need is you
here with me
is that hard
is it easy
nobody can tell you what you can do
so just listen to me

all i need is you
here with me
i can't be strong without you
my life isn't so great
without you you're so much to me
all i need is you

you without me
can't feel anything within
all i need is you
here with me
i can't be strong without you
my life isn't so great
when you're not around
what's so different with being without
oh there's so much that is different
i can't face you and you want me around
yeah
