

# Jasmine Guy, Running Out Of Energy

is it true that i am so loud  
is it true that i can fly ?  
My instink tells me to run everytime  
I felt at the time week  
is it true that i am so loud  
is it true that i can sing?

MY instink tells me to run everytime  
i got to get up in frount of four people  
i feel so scared to sing in frount of anyone  
everytime that happens i run out of ergery

is it true that i am loud  
is it true that i can fly?  
My Instink tells me to shut down  
everytime i have to join in

everytime that i have to get up and read a letter out  
i get stadge fright then i break down it's like i can't read lines  
in frount of one person ( is it true that i can sing )  
is it true that i can fly?  
is it true that i am loud ?  
is it true that i never ever smile  
is it true when i have a chance i blow it away?  
everytime i get stadge fright i run out of energy !!!

ohhh  
run out of ergery  
run out of enrgey

run out of energy  
run out of energy

ohhh'  
everytime that happens i run  
everytime i got to sing i shut down  
i can't live if this keeps happening to me  
it's eating my life away it eats up my chances  
ohhh"

everytime i break down  
i have to show my fears  
cause i have so many too many butterflies  
in my stomic i can never feel not nervous  
it's just who i am i'm a chicken  
oooohhH!  
everytime that happens i run out of energy \*
