

# Jasmine Guy, Stronger

cause how can i get through it ?  
how can i do it without you ?  
i know you can be strong believe me  
i know you can do lots of things  
i know you can be stronger than you r now  
i know someday you'll find what you've been missing out on  
i know what i think is crazy  
but trust me in this one  
you may find what you've wanted for a life time

i know you can be stronger  
i know you can be weaker  
but i think you can be stronger than weaker  
believe me i know what i do is crazy  
but you just gotta understand  
what i do is what i like  
i know you can be stronger than u are now  
i know you can be strong  
trust me what ealse is there to trust  
i know you can be stronger than now  
i know you i know you truly trust me
