Jasmine Guy, This Time

i know what i did wrong i know why you hate me i know what you are feeling

i can see stragiht through ui see through your eyes my facei see we can be great lovers after alli can see we can make this time perfect

chrous ^

i see us forever i see through your eyes my face i see so much reflection i know where my firection will back home with u oin my arms

feeling so much love and changes happing our lives i want this time to never end i want our first time back together perfect i dont want it to be tragic no more tragic moments betweeen us

please forgive what my last word was please understand what i've been going through please forgive myself
