

Jasmine Guy, Today

TODAY I FELT SO SCARED
i felt afraide to let my best friend go
i feel so alone without her
she makes me shine
she makes me different

today nothing i knew went wrong
well any way i had a great day
i always noticed that i really am coool
sometimes i can be funny
my voice sounds so silly
i can't sing i can't dance

today it was hard to say goodbye to my friend
she's always wonderful i tell you dear
