

# Jasmine Guy, Today

TODAY I FELT SO SCARED  
i felt afraide to let my best friend go  
i feel so alone without her  
she makes me shine  
she makes me different

today nothing i knew went wrong  
well any way i had a great day  
i always noticed that i really am coool  
sometimes i can be funny  
my voice sounds so silly  
i can't sing i can't dance

today it was hard to say goodbye to my friend  
she's always wonderful i tell you dear
