

# Jasmine Guy, Why?

( i'm not you)  
( i'm Not A dum one)  
( i'm not a silly one )  
( i'm not you )

i today did well  
on sticking up for myself  
i wasn't complaing about doing my work  
this time ohh  
why can't everyone just keep there nasty comments to there selves  
ohhh  
( i'm not a silly one )  
( know i'm not dum eaither )  
( i'm not from now on gonna listen to you )  
cause there's no way i can forgive you )

ohh  
why can't everyone keep there nasty comments to there selves  
i just thought that i could win and they could lose  
stop all the hurting and move on forget school life  
forget what they done that they'll wish they never done  
ohh i'm not you i don't buy friends ) i hope not any way  
i don't try anything to do with trying to be cool )

everyone i am with all day  
is a pain to me  
i feel so week when i'm there  
ooo it's like i'm half scared half strong  
you know there'll be days they talk to me  
there will be days i don't get hurt at all )

if you're my friend you should be surpporting me  
instead of just sitting there and not caring and thinking i'm glad thats not me  
ohh!!!  
stop all the fighting trying to win instead of losing  
i stop feeling sorry for myself  
oo OOO they can never change  
nothing in my imagine can find thoes kids my friend  
oooo yeah
