You're all I need to get by You're all I need to get by Like sweet morning dew I took one look at you And it was plain to see You were my destiny With arms open wide I threw away my pride I'll sacrifice for you Dedicate my life to you You're all I need to get by You're all I need to get by You're all I need Oh baby all I need You're all I need to get by I got a love jones for Hawaii You're all I need to get by You're all I need to get by Hold up (wait a minute) (DJ don't quit the music) Hold up (wait a minute) I got a love jones for Hawaii You're all (all I need) I need (you give it all to me baby) to get by (everything, everything) You're all (the way you kiss me) I need (the way you hold me) to get by
