

# Jasmine Trias, What U Do To Me

[Hook:]

Baby what you do to me  
I don't know but it feels so sweet  
I can't hardly stand it  
So I demand that you save your love for me  
Baby it's a vacancy when you're gone  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me

[Verse 1:]

Baby, I can't hardly wait until you call me  
I anticipate it all day I crave it  
Just to hear your voice  
'Cuz if I don't hear from you  
All day I'll be feeling blue  
Checked my phone 1000 x's to see  
If your number came through

[Hook:]

Baby what you do to me  
I don't know but it feels so sweet  
And I can't hardly stand it  
So I demand that you save your love for me  
(Save it all)  
Baby it's a vacancy when you're gone  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me

[Verse 2:]

It's crazy  
You're just like my favorite song I sing  
You're my melody in perfect key  
That's why you're a good look for me  
Now I don't want to be infatuated  
But the feeling I can not contain it  
When I think of how far we'll go  
Makes me wanna love you more

[Hook:]

Baby what you do to me  
(whatever you do to me)  
I don't know but it feels so sweet  
And I can't hardly stand it  
So I demand that you save your love for me  
(Save your love for me)  
Baby it's a vacancy when you're gone (Vacancy)  
There's a missing piece  
I can't hardly stand it so I demand (it)  
That you save your love for me

[Bridge:]

I don't wanna come off to strong  
But I think you got me so gone  
I'll come running every time you call  
'Cuz now I want you all to myself  
Time and everything else  
I gotta be selfish  
Save it all for me

[Hook:]

Baby what you do to me  
I don't know but it feels so sweet  
(Cuz I don't know)  
And I can't hardly stand it  
So I demand that you save your love for me  
(Save your love for me)  
Baby it's a vacancy when you're gone  
(When you're gone boy I can't sleep)

There's a missing piece  
I can't hardly stand it so I demand (it)  
(No no no no oh)  
That you save your love for me [x2]
