

# Jasmine Villegas, If There's Love

Say were you been hidden and I believe in you give me the life my dear you give me the strength to  
2x if there's love I just want to have something to do with it I just want to feel close  
When you're alone when I'm alone you make me feel at home If I get enough of you to a higher place  
2x If there's love I just want to have something to do with it I just want to feel close  
You know that you got have my tomorrow baby today and yesterday believe that you got my tomorrow  
2x If there's love I just want to have something to do with mmmm it i just want to feel close
