

# Jason Aldean, Even If I Wanted To

I'm on the brink; I can barely think,  
With all of these thoughts runnin' through my head.  
Wonderin' if I did you wrong?  
No way, I did you wrong.  
Every night, I try to justify,  
All the angry things I said, oh, but I can't take 'em back.  
No, I can't do that.  
I was wrong, oh, but now you're gone.  
An' I can't hide what I feel inside,  
An' just stop lovin' you even if I wanted to.  
I can't hold on, but lettin' go,  
Is something I can't do,  
Is something I can't do,  
Even if I wanted to.  
All the times I sat and watched you cry,  
When I should have held you close, made sure that you know,  
How much I cared but I was never there...  
I was wrong an' now you've moved on.  
I can't hide what I feel inside,  
An' just stop lovin' you even if I wanted to.  
I can't hold on, but lettin' go,  
Is something I can't do,  
Is something I can't do,  
Even if I wanted to.  
Even if I wanted to.  
[Instrumental Break]  
Yeah, I can't hide what I feel inside, (What I feel inside.)  
An' just stop lovin' you even if I wanted to.  
I can't hold on, but lettin' go, (Lettin' go.)  
Is something I can't do,  
Is something I can't do,  
Even if I wanted to.  
Even if I wanted to.
