

# Jason Derulo, Colors (Hymn MŚ w Piłce Nożnej 2018)

what a feeling  
look what we've overcome  
I'm gonna wave a wave my flag  
and count all the reasons  
we are the champions  
there ain't no turning, turning back

saying  
Oh, can you taste the feeling, feeling  
saying  
Oh, we all together singing

look at how far we've come  
now /4x  
there's beauty in our unity we've found  
I'm ready /2x  
we still got a lil way  
but look at how far we've come  
now /4x  
hands up for your colors!

ready the people  
a new day has just begun  
and I wear my colors on my back  
celebrate /2x  
we're created equal  
one race and that's human  
can't wait to the to dance

saying  
Oh, can you taste the feeling, feeling  
saying  
Oh, we all together singing

look at how far we've come  
now /4x  
there's beauty in our unity we've found  
I'm ready /2x  
we still got a lil way  
but look at how far we've come  
now /4x  
hands up for your colors!

here we go  
let's put on a show  
let me see your hands up /2x  
here we go

look at how far we've come  
now /4x  
there's beauty in our unity we've found  
I'm ready /2x  
we still got a lil way  
but look at how far we've come  
now /4x  
hands up for your colors!

there's beauty in our unity we've found  
one hand, two hands, 4 your colors  
there's beauty in our unity we've found  
show your true colors
