

Jason Derulo, Tip Toe (feat French Montana)

Big fat thang
overflowing
skinny tight dress
couldn't hold it
way too thick like it's swollen
girl, you're too bad and you know it
when you drop down
lose focus
when that thing clap
that's a bonus
back at looking appetizing
back at the food
it's a crisis

bring that body my way
can't take it off my brain
look like you do ballet

hold tight when you tiptoe
shake something when you tiptoe
don't brace when you push that back
left. right, do it just like that
hold tight when you tiptoe

god blessed you from behind I do
One hand up like the Heisman
first class seat when you're riding
wine that thing like it's spineless

bring that body my way
can't take it off my brain
look like you do ballet

hold tight when you tiptoe
shake something when you tiptoe
don't brace when you push that back
left. right, do it just like that
hold tight when you tiptoe

wine for me darling
when you move your slang is a love mean
now, why just wine form me darling
one trying to figure out who to give your love to
two, racing like a freak till quarter past
three, you know you're the one
I've been looking for

left cheek, right cheek /5x
tiptoe /2x
