

# Jason Derulo, Want To Want Me

It's so hard to sleep  
I got the sheets on the floor  
Listen to me  
And I can't take it no more  
So hard I can't breath  
I got one foot out the door  
Where are my keys?  
'Cause I gotta leave,

In the back of the cab  
I tip the driver, head to town  
Give me the best  
I got your body on my mind  
I want it back  
Just the thought of you gets me so high,  
So high

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you  
Just to get up next you

You open the door  
There ain't nothing but a smile drawn to the floor  
And you whisper in my ear, baby I'm yours  
Just the thought of you gets me so high,  
So high

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you  
Just to get up next you

Just the thought of you gets me so high  
So high

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you

Girl, you don't want  
I want you to want me  
And if you want, hey girl, you got me  
There's nothing I know I wouldn't do, I wouldn't do  
Just to get up next you

Just to get up next you
