

# Jason Donovan, Close Every Door

Close every door to me  
Hide all the world from me  
Bar all the windows and shut out the light  
Do what you want with me  
Hate me and laugh at me  
Darken my daytime and torture my night

If my life were important  
I would ask will I live or die  
But I know the answers lie far from this world

Close every door to me  
Keep those I love from me  
Children of Israel are never alone  
For I know I shall find my own peace of mind  
For I have been promised a land of my own

Just give me a number instead of my name  
Forget all about me and let me decay

If my life were important I  
Would ask will I live or die  
But I know the answers lie far from this world

Close every door to me keep those I love from me  
Children of Israel are never alone  
For we know we shall find our own peace of mind  
For we have been promised a land of our own
