

Jason Mraz, Falling All Over The World

Said I'm fallin' all over the world
Said I'm fallin'
This love affair,
It isn't all there but it's everywhere
Said I'm fallin' all over, fallin' over and over
But the blue shy, oh blue soul
And love with the tole its taken
A true crime is the perfect role
I love every more that I take in
So much that I'd do it again, I'd do it again
Said I'm fallin' all over the world
It's a breath of air, so rare
Thick as thunder
Said I'm fallin' all over,
Every wonder so, full of wonder, so beautiful
There's magic up above
Every cliché I learn to love
But as long as these birds have wings
Then I'll have songs, and I'll have words to sing
Sing of fallin' over, I'm fallin' over the whole damn thing
Said I'm fallin' all over the world
Said I'm fallin'
