

# Jason Mraz, Hey Love

words & music by jason mraz

Hey love, where you going to?  
You're not sleeping anymore, you're just trying to.  
Stay love, where you running to?  
Awful happens all the time, don't let it kill you.

Easily with me I feel as fast as I can see...  
Afraid of the horror stories I fall down on my knees.

Come away, come away.  
From all these things unheard  
If a chosen word has got you cornered  
Then it's a lesson learned  
Like close the book before it burns you.  
Come away, come away.  
From all these things unseen  
At the price you paid I promise you won't believe anything they say  
Belief will only disappoint you

In case you never noticed the path you never chose has chosen you.  
Afraid to face and break it.  
The secret.
