

Jason Mraz, I'll Do Anything

Go make your next choice be your best choice
And if you're looking for a boy with a voice, well baby I'm single
Are you in the mood for some dude, are you in the mood to be subdued
Or would you rather just mingle?
Let's get set then to go then and let us jet set we'll be like the jetsons
You can be Jane my wife. Should I marry Jane tonight?

I would if I could. I'd do most anything spontaneously.

Or we can keep chilling like ice cream filling
We can cool in the gang if you'd rather hang
Ain't no thing. I can be lugubrious with you.
I got no ifs ands ors no wits or whats about it
But this place is getting crowded and my house is two blocks away
Or maybe closer

I would if I could. I'd do most anything spontaneously.
You know I would, if I could. I'll do anything spontaneously.

If you could be nimble, you'd have it simple just like me.
So go on and try it, do not deny yourself your freedom.

So step on up to the plate get a date with mraz
See you better act fast because supplies they never
Now did you knowE this is limited time offer
So go make your mind up before our times up
You better start winding it up because the party's almost over
(and if you should know girl, go a little bit lower now)

see how I would, if I could. I'd do most anything spontaneously.
You know I would, and I can prove it. I'll do anything spontaneously.
