

# Jason Mraz, Im Yours

Well you done, done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks and now I'm tryin' to get back  
Before the cool done run out I'll be givin' it my bestest  
and nothin's gonna stop me but divine intervention  
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more  
It cannot wait I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love love  
Listen to the music of the moment people dance and sing  
We're just one big family  
And it's our godforsaken right to be loved loved loved loved loved

So I won't hesitate no more, no more  
It cannot wait I'm sure  
There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Do you want to come'a,  
Scooch on over closer dear  
And I will nibble your ear

I've been spendin' way too long checkin' my tongue in the mirror  
And bendin' over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed  
I guess what I be sayin' is there ain't no better reason  
To rid yourself of vanities and just go with the seasons  
It's what we aim to do  
Our name is our virtue

But I won't hesitate no more, no more  
It cannot wait, I'm yours  
Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find that the sky is yours  
Please don't please don't please don't  
There's no need to complicate  
'Cause our time is short  
This is, this is, this is our fate  
I'm yours...
