

Jason Mraz, Summer Breeze

(Seals & Crofts)

See the curtains hanging in the window
In the evening on a Friday night
A little light shining through the window
Lets me know that everything's alright

Summer breeze makes me feel fine
Blowing through my mind
Summer breeze makes me feel fine
Blowing through my, making me feel right
Making me feel, making me feel fine
Makes me feel fine
Blowing through the jasmine in my mind, my

See the paper layin' on the sidewalk, a little music from the house next door.
Who lives next door?
So I walked on up to the doorstep, through the screen and then across the floor.
Summer breeze makes me feel fine
Blowing through my mind, love
Summer breeze makes me feel fine
Blowing, yeah, you're making me feel alright
Making me feel, making me feel fine
Make me feel fine
Blowing through the jasmine in my mind, my my mind

Sweet days of summer, the jasmine's in bloom
July is dressed up and playing her tune
When I come home from a hard day's work
And you're waiting waiting waiting waiting waiting there, yes you're waiting there
Without a care in the world

I see the smile awaiting in the kitchen
Food a-cooking and a place there for two
You, you
I see the arms that reach out to hold me
In the evening when the day is through
Come on home soon

Summer breeze makes me feel fine
Blowing through my mind
Summer breeze makes me feel fine
Blowing through my, making me feel right
Making me feel, making me feel fine
Make me feel fine
Blowing through the jasmine in my mind

Blowing my mind
