

# Jason Mraz, The Remedy (I Won't Worry)

Well I saw fireworks from the freeway  
And behind closed eyes, I cannot make them go away  
Cause you were born on the fourth of July  
Freedom ring  
Well something on the surface it stinks  
I said something on the surface  
Well it kind of makes me nervous  
To say that you deserve this  
And what kind of God would serve this  
We will cure this dirty old disease  
Well if you've got the poison, I've got the remedy

The remedy is the experience, this is a dangerous liaison  
I say the comedy is that it's serious  
This is a strange enough new play on words  
I said, the tragedy is how you're going to spend  
The rest of your nights with the light on  
So shine the light on all of your friends  
Well, it all amounts to nothing  
In the end

I won't worry my life away  
I won't worry my life away

Well I heard two men, talking on the radio  
In a crossfire kind of new reality show  
Uncovering the ways to plan the next big attack  
Or they were counting down the ways to stab the brother in the  
Be right back after this  
The unavoidable kiss, with a minty fresh death-breath  
Is sure to outlast this catastrophe  
Dance with me  
'Cause if you've got the poison, I've got the remedy

The remedy is the experience, this is a dangerous liaison  
I say the comedy is that it's serious  
This is a strange enough new play on words  
I said, the tragedy is how you're going to spend  
The rest of your nights with the light on  
So shine the light on all of your friends  
When, it all amounts to nothing  
In the end

I won't worry my life away  
I won't worry my life away

When I fall in love  
I take my time, there's no need to hurry  
When I'm making up my mind  
You can turn off the sun, but I'm still going to shine  
And I'll tell you why

Because the remedy is the experience, this is a dangerous liaison  
I say the comedy is that it's serious  
This is a strange enough new play on words  
I said, the tragedy is how you're going to spend  
The rest of your nights with the light on  
So shine the light on all of your friends  
When, it all amounts to nothing  
In the end

I won't worry my life away  
I won't worry my life away

Cause I won't, I won't, I won't  
Won't worry my life away
